

2012 Franchisee

Franchise Business Review created the Franchisee Satisfaction Awards to pay tribute to companies that are “doing it right” — putting their franchisees first and focusing on the things that matter most. This year, a total of 155 franchise brands received our prestigious award. These companies truly represent the best in franchising.

Congratulations to our winners!

2012 Top Franchises UNDER 50 CLASS

Systems With
Less Than 50 Units

“I’d highly recommend an FBR survey. If you think you’re doing well, you have nothing to fear. And, frankly, if you’re not doing well, you’ve got bigger problems. You have a shortcoming in your system if you’re afraid to ask franchisees what they think.”
